Dear Amon:

I merely wish to thank you for your kindness in enabling me to get a pair of tickets for all of the World Gymnastic Competition so that my wife and I can give them to our Arts and Education Council.

Please call on me any time I can be of help to you.

Cordially,

Dear Amon:

You were nice enough to cooperate with Matt Rothert on his Arkansas project and he sent me a xerox of your 50¢ C. M. Thompson 1862 note from Elk Mills (Missouri?).

Would you be willing to trade me that note for another equally rare Missouri note of that type or a texas scrip note you may not have? That would be appreciated.

My best wishes to you for the holidays and keep on proving along with me that numismatics is the best cure for aging.

Cordially,

Eric P. Newman

Dear Amon:

In accordance with your letter of December 23, 1981, I have looked through my Texas collection to find something really nice for you to choose from and I hope there is one which will please you. I enclose photocopies of three notes, each of which is not listed in Medlar's book. Williamson County is not even mentioned in Medlar. The O'Connor note is unlisted. The Cosner note is payable in U. S. Treasury notes and is dated 1865. Two have defects. One is choice. All of them could be unique.

Select any one you wish in exchange for the Elk Mills note which you have. If you don't like any of those I will send you photocopies of listed notes which you might need.

Please come to see my museum sometime.

My kindest personal regards.

Sincerely,

Eric P. Newman

Gentlemen:

I hesitated writing you about a pending exchange which was in process at the time of Amon's death, but I determined that Amon would have wanted me to take it up with you. Amon was going to exchange with me his Elk Mills, Missouri, 50¢ scrip note signed by C. M. Thompson for a Texas note to add to his collection. I am enclosing a copy of his last letter to me and my last letter to him. Unfortunately we did not complete the trade which was desired by both of us.

Would you be kind enough to let me know how this exchange might be completed or how I might acquire the Missouri note. A copy of the Missouri note is enclosed and may be filed in error under Arkansas.

My relationship with Amon goes back numismatically over 20 years.

Very truly yours,

Eric P. Newman
